

MEMORANDUM FOR: Director, Development and Engineering

FROM:

Director of Security

SUBJECT:

Letter of Appreciation

1. Please extend our thanks to [redacted] Chief, Systems Analysis Branch, Data Communications Group, for his outstanding presentation to the staff industrial security officers attending the Industrial Security Officers Course recently held in the Headquarters area. The feedback has been exceptionally favorable and indicates that the presentation was a beneficial and valuable element of the course. We were aware of [redacted] tight schedule and the fact that he had short notice to prepare the presentation.

2. We are mindful of the importance and role the COTR plays in the industrial arena and we were certain that this particular audience would benefit from such a presentation. The results confirm this belief and we wanted you to know that [redacted] efforts were extremely well received and very much appreciated.

Dear Ed:

Please extend our thanks to Mr. John McCaffery for his presentation at an Agency internal Industrial Security Officers Training Course on 17 November 1982. Mr. McCaffery's presentation was well received and will certainly add another dimension to the level of awareness of our industrial security officers.

We share your concern with regards to opposition efforts to obtain classified information in the industrial arena and we were certain that our staff industrial security officers would benefit from a presentation on Bureau efforts in the counterintelligence field in industry. The results confirm this belief and we want you to know that we appreciate Mr. McCaffery's efforts.

Sincerely,
